The official 'zine of the Miller Number Custodian Issue #24 Lee A. Kendter, 4347 Benner St., Phila., PA 19135 215-333-9729

November 1991

Randy gave me the MNC treasury!

Yes, in the most pleasant surprise of the year, Randy Grigsby came to DipCon in Canada, and he presented me with the MNC funds. This has made things a lot easier around here, and the numbers should really hum along now. With the money I can do some things that I had held off on before because I didn't want to get any deeper in debt than I had to. For example, I only send this out to those of you who trade, sub, or I feel showed interest in receiving it. Now, I can send some sample issues to people that I think should see this.

Randy also gave me some other materials that had been missing from the files, including the "archives" book that I had origionally started years ago during my first tenure as MNC. My files are still not as complete as I would like them to be, but they are in the best shape that they have been since I took over this job. I'm doing my best to put them in good order so my successor will not have to guess at any of the things I had to.

Speaking of a successor, I will be passing this on to someone else sometime next year. I only took it on for the second time to try and restore some faith in the office, and get the numbers back on track. I feel that I have accomplished that objective, and I don't want this job forever! I already have a list of candidates, and I will start to discuss the situation with them after the holiday season is over. Watch for a possible announcement in the next issue, which will be sometime in Jan or Feb.

The Treasury

we are in good snape for the first time since	T COOK	over.	
Actual balance after A&O # 23	-22.25	in the	red
Funds from Randy Grigsby	270.00	!	
Actual balance as of 11/15/91	239.70		
This issue (approximate)	30.00		
Balance (approximate)	209.00		

This should hold up for a while, but since the amount of donations between issues never pays for an issue, the funds will start to slip downward.

This issue has all gamestarts received as of 11/15/91, and all game ends as of the same date. I'd like to see some other content in here, but unless it's contributed, there won't be anything else. Does any person out there think that he/she has something to contribute? A ratings system, a variant article, etc. If so, let me know, and I'll discuss whether or not I want to put it in here.

SUBS are 75¢ an issue in the USA. \$1.00 in Canada. \$1.50 elsewhere. Some back issues are available.

Now for some Corrections/additions/modifications to last issue.

1988C game end should be 1988GC 1988G game end should be 1988GL

1991Rrd22 was terminated by the GM

1989JUf101 was terminated by lack of player interest

1988ILrb32 ended, but the 'zine folded and no records were sent to me. 1989JXrb32 ditto

Thanks to Lee Kendter, JR and Douglas Kent for the above information!

It seems that a number of 'zines that carried Variant games folded in recent months. Among them are; Victims wanted, Messinger, BTDT, Moire, and others. Any information on the status of these games would be appreciated.
